CASARTELLI RACE - SAINT-GIRONS

The Fabio Casartelli Memorial Race gathers each year a great number of cyclists, coming to pay Casartelli an homage.

Indeed, on July 18th, 1995, the Italian Olympic champion Fabio Casartelli fell to his death, after the Col du Portet d'Aspet, while cycling on the Tour de France. The last time he started a stage of the Tour de France was in Saint-Girons.

It is the reason why it is so important to us to preserve the memory of Fabio Casartelli and honor this great cyclist. Since that day, the memory of Fabio Casartelli has rhymed with friendship, conviviality, mutual aid and solidarity.
